NEW LOOK at the INN

Village
Country Inn

Thanks to our friends at Palliser Printing of Invermere, the *Village Country Inn* has a "new" look logo with an old fashioned "Key" as our brand image which we believe brings out the character of the Inn. A warm heartfelt thank you goes to Dee and her staff at Palliser Printing.

You will see the new logo and signature key on all of advertising in the future. We hope you like it as much as we do. Remember we have a new Toll Free telephone number 1-877-466-4780.
